IN-HOUSE PREMIUM FINANCING AVAILABLE

Genesee General has recently partnered with another carrier to help you place your Environmental Risks. The carrier is one of the pioneers in the environmental insurance industry boasting more than 20 continuous years of providing environmental insurance coverages.

Let us help place your Environmental Accounts!

Coverage Lines Available:

- Contractor's Pollution
- General Liability
- Professional Liability
- Mold Coverages
- Products Pollution Liability

*General Liability and Pollution Liability coverages are written on an occurrence form

*Professional Liability and Mold Coverages are offered on Claims made basis

Optional Coverages:

- Hired and Non-owned Auto Liability Coverage
- Employee benefits liability coverage
- Contingent Employers Liability "Stop Gap" Coverage
- Bailees Customers Coverage
- Transportation Pollution Liability

Coverage Highlights:

- All A and above rated carriers
- The "Your Work" and "Property damaged to impaired property" exclusions have been deleted in the contractors pollution liability coverage form
- Dedicated pollution limit (Pollution limit is not shared with the GL & Professional limit)
- Broad definition of pollution including bacteria
- Does NOT exclude coverage for asbestos, lead or silica
- Does NOT exclude coverage for EIFS for work performed as a restoration contractor
